Role of the Bethesda-Chevy Chase Regional Services Center

The Bethesda-Chevy Chase (B-CC) Regional Services Center is the local government office for the Bethesda, Chevy Chase, Friendship Heights, Garrett Park, Glen Echo, North Bethesda, Potomac and Rockville communities.

The Regional Services Center informs Montgomery County leadership of regional perspectives, expedites responsive service delivery and connects with local organizations and leaders to get their input on issues of local importance.

The Center functions as a local town hall, offering problem solving and information and referral services to the region. The Director of the Regional Services Center is a member of the County's Senior Management Team with direct access to the County Executive and department heads. Along with this liaison function, the Center also:

- Identifies regional priorities and future service needs;
- Implements local community initiatives;
- Maintains a library of County literature including the Recreation Guide, Master Plans, Glen Echo Park Guide, and Guide to Senior Resources;
- Maintains meeting rooms for public use;
- Provides direct services including sale of transit fare media and distribution of compost bins;
- Distributes welcome packets for new residents;
- Oversees County services in downtown Bethesda performed under contract by the Bethesda Urban Partnership; and
- Manages the site selection process for County facilities.
